

**In regard to the COVID-19 virus, the Town of Wright is doing all we can at this time. We are being updated by the C.C. Public Health and our guidelines are based on their recommendations.**

**The Town of Wright is taking this day by day and at this time, all Town facilities are open. However, we are suggesting 10 or less in a group at a time.**

If you think that you might have symptoms of COVID-19, you should call your doctor or CCH's call center, which can be reached at 688-1000. Remember to please call ahead because there are visiting restrictions in place at the hospital.

CCH has set up a drive-thru screening facility at 901 W. Second Street, but it would like to remind people that there is a limited number of tests, and it would like to use them on patients who need them most.

There is a list of closures as of yesterday included with this letter for you to view. Understand that as quickly as new cases come up, the information changes as well. We will do our best to update the public with new information. You can also access the Campbell County website and get updated information there as well.

**Please continue to self-distance and take care of your families. If you have any questions or concerns, please call the Town Hall @ (307)-464-1666 we are here to help.**

#### **JOIN US IN PREVENTING THE SPREAD OF THE CORONAVIRUS**

- Learn about the signs and symptoms of COVID-19, which include fever, cough and difficulty breathing.
- **STAY HOME WHEN YOU ARE SICK**, and individuals at risk of severe illness should consider staying at home to avoid others who are sick.
- Regularly clean and disinfect frequently touched surfaces, such as doorknobs, keyboards, cell phones and light switches.
- Communicate and reinforce best practices for washing hands and covering coughs and sneezes.

Thank you, and together let's stay safe and healthy.

A handwritten signature in blue ink that reads "Ralph Kingan".

Best regards,

Mayor Ralph Kingan
