

### **Public Notice – Considering Proposals**

The Town of Wright, Wyoming is considering proposals for the sale of certain real property belonging to the Town, for purposes of economic development. The real property under consideration is located at 1275 West Elkhorn Drive, with close access to Highway 387, and is described as Lot 11B of the Hay Creek II Subdivision. The Lot is zoned for Light Industrial, it is approximately 9.74 acres in size, and in 2019 was appraised to have a value of \$177,000.00.

This is not a request for bids, and bids are not being solicited nor accepted. The Town is simply announcing that if parties are interested in purchasing the property with the current intention and commitment of immediately developing and using the property for purposes which are reasonably likely to meaningfully promote economic development in Wright, Wyoming, the Town would be interested in knowing about such proposals. If the Town is interested in any of the proposals submitted, the Town might enter into discussions with the party or parties submitting any or all such proposals.

More specific information is available, upon request, at Wright Town Hall, 395 Lariat Way, PO Box 70 Wright, Wyoming 82727, 307-464-1666. The Town of Wright reserves the right to reject any or all proposals submitted. Proposals should be submitted in writing not later than the close of business, June 30, 2021. The Town of Wright is a governmental entity, subject to the Wyoming Public Records Act, and no proposals are confidential.
