

Wyoming Earthmoving
Corporation

PO Box 454 Rozet, WY 82727
Telephone 307-257-1441

Dear Property Owners/Residents,

The Town of Wright has hired Wyoming Earthmoving Corporation (WEC) to perform road reconstruction on Prospector Drive. Work is scheduled to begin on June 28, 2021.

During reconstruction it is necessary to close the street to through traffic. Access to the AG complex will be restricted to the north entrance. The north entrance is accessed from HWY 387.

The south entrance is expected to be opened around July 6, 2021, barring unforeseen problems and weather conditions.

Except for special circumstances, normal work hours will be between 7:00 a.m. and 7:00 p.m., Monday through Friday.

The representative on the project for the Town of Wright is Bruce Hicks with Dowl Engineering and he will be on site during work hours if you have any problems. After work hours, please call WEC (David Wise at 307-259-2123) to report any problems associated with the road reconstruction.

The road reconstruction may cause temporary inconvenience because of the nature of the work. WEC and the Town of Wright appreciate your patience during this period and will attempt to minimize the inconvenience.

If you have any questions, please contact David Wise with WEC at 307-259-2123.

Sincerely,

Erin Strobl
Contract Administrator
